

E20453

Reflector for retro-reflective sensors

REFLECTOR TS-93x45

| Application          |                                                                        |                  |
|----------------------|------------------------------------------------------------------------|------------------|
| Design               | rectangular, for red light and infrared light retro-reflective sensors |                  |
| Operating conditions |                                                                        |                  |
| Ambient temperature  | [°C]                                                                   | -10...60         |
| Mechanical data      |                                                                        |                  |
| Weight               | [g]                                                                    | 47.2             |
| Dimensions           | [mm]                                                                   | 55 x 125.5 x 9.5 |
| Reflector surface    | [mm]                                                                   | 45 x 95          |
| Material             | plastics                                                               |                  |
| Remarks              |                                                                        |                  |
| Pack quantity        | 1 pcs.                                                                 |                  |
