

## Syphon

SIPHON TUBE G1/2

1 clamping sleeve to DIN 16283

## Application

Application

for industrial applications

Media

liquids and gases

## Tests / approvals

Pressure equipment directive

A possible classification to PED depends on the application and has to be carried out by the user / operator.

Safety instructions

The compatibility between medium and product material has to be checked in all applications.

## Mechanical data

Weight

[g]

758.2

Material

steel (1.0345)

Sensor connection

G 1/2

Process connection

G 1/2

## Accessories

Items supplied

sealings: 2, PTFE

## Remarks

Pack quantity

1 pcs.

Syphon

SIPHON TUBE G1/2

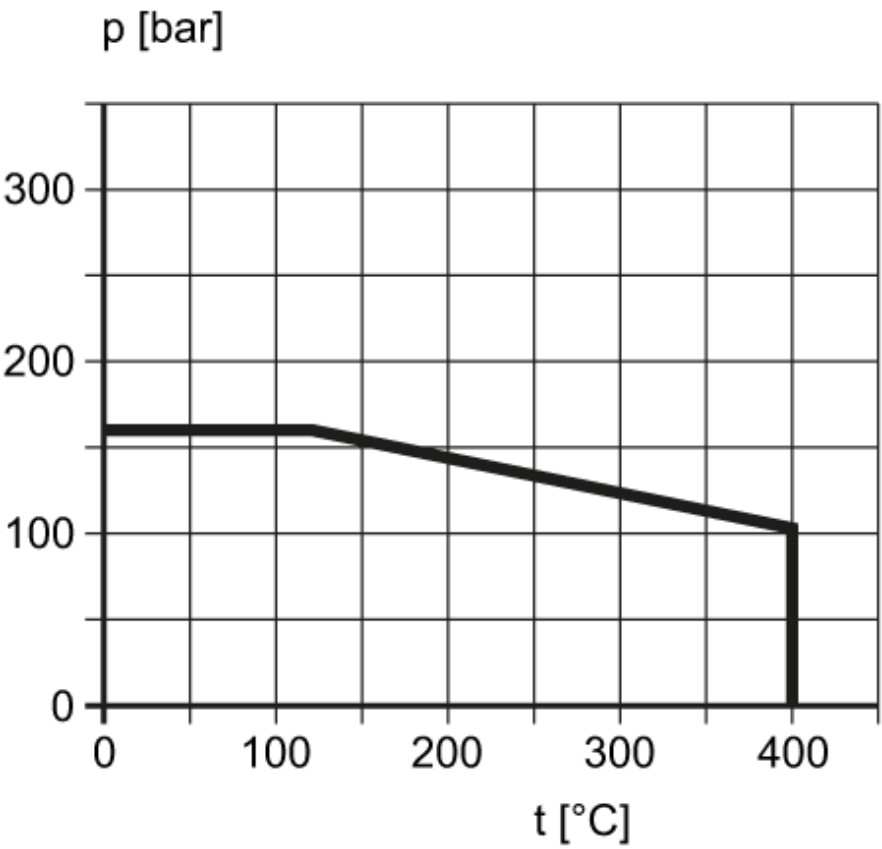

Other data

medium: water, ambient temperature: 25 °C

| medium temperature in front of syphon °C | medium temperature behind syphon °C |
|------------------------------------------|-------------------------------------|
| 85                                       | 35                                  |
| 150                                      | 50                                  |
