

Grinding protection for the installation of Aseptoflex Vario welding adapters

SEALING EDGE GRINDING PROTECTION

- 1 Hexagon nuts DIN 934-M12
- 2 half shell Ø 70mm
- 3 Welding adapter not supplied
- 4 hemispherical cap Ø 70mm
- 5 socket head cap screw ISO 4017-M12x50

Application	
Design	grinding protection for the sealing edge of E30528 Aseptoflex Vario welding adapters
Application	grinding of welded adapters
Mechanical data	
Weight [g]	877.9
Material	VA; stainless steel (1.4301 / 304)
Remarks	
Pack quantity	3 pcs.
